# PROJECT NARRATIVE

## TABLE OF CONTENTS

<b>Need for the Project</b> .....	<b>1</b>
1. A high number or percentage, or both, of students enrolled or accepted for enrollment at the applicant institution who meet the eligibility requirements.....	2
2. The academic and other problems that eligible students encounter at the applicant institution.....	3
3. The differences between eligible Student Support Services students compared to an appropriate group based on the following indicators: .....	7
a) Retention and graduation rate .....	8
b) Grade point averages .....	8
c) Graduate and professional school enrollment rates .....	9
<b>Objectives</b> .....	<b>9</b>
1. Persistence Rate: Standard Objective 1 .....	10
2. Good Academic Standing Rate: Standard Objective 2 .....	11
3. Graduation Rate: Standard Objective 3 .....	12
<b>Plan of Operation</b> .....	<b>13</b>
1. The plan to inform the institutional community (students, faculty, and staff) of the goals, objectives, and services of the project and the eligibility requirements for participation in the project.....	14
2. The plan to identify, select, and retain project participants with academic need.....	16
3. The plan for assessing each individual participant's need for specific services and monitoring his or her academic progress at the institution to ensure satisfactory academic progress.....	20
4. The plan to provide services that address the goals and objectives of the project .....	23
5. The plan to ensure proper and efficient administration of the project, including the organizational placement of the project; the time commitment of key project staff; the specific plans for financial management, student records management, and personnel management; and plan for coordination with other programs for disadvantaged students. ....	31
<b>Institutional Commitment</b> .....	<b>36</b>
1. Committed facilities, equipment, supplies, personnel, and other resources to supplement the grant and enhance project services. ....	36
2. Established administrative and academic policies that enhance participants' retention at the institution and improve their chances of graduating from the institution .....	40

3. Demonstrated a commitment to minimize the dependence on student loans in developing financial aid packages for project participants by committing institutional resources to the extent possible .....	43
4. Assured the full cooperation and support of the admissions, student aid, registrar and data collection and analysis components of the institution.....	45
<b>Quality of Personnel .....</b>	<b>47</b>
1. The qualifications required of the project director, including formal education and training in fields related to the objectives of the project, experience in designing, managing, or implementing Student Support Services or similar projects.....	47
2. The qualifications required of other personnel to be used in the project, including formal education, training, and work experience in fields related to the objectives of the project .....	48
3. The quality of the applicant’s plan for employing personnel who have succeeded in overcoming barriers similar to those confronting the project’s target population .....	51
<b>Budget .....</b>	<b>53</b>
1. The project budget is reasonable, cost-effective, and adequate to support the project.....	53
<b>Evaluation Plan .....</b>	<b>56</b>
1. (i) The methods of evaluation are appropriate to the project and include both quantitative and qualitative evaluation measures.....	56
(ii) The methods for evaluation examine in specific and measurable ways, using appropriate baseline data, the success of the project in improving academic achievement, retention and graduation of project participants. ....	58
2. The applicant intends to use the results of an evaluation to make programmatic changes based upon the results of project evaluation. ....	61
<b>Quality of Project Design .....</b>	<b>63</b>
1. Demonstration of Rationale, UNK SSS Logic Model .....	63
2. Research and Evaluation Findings.....	65
