Mr. and Mrs. Charles Poulson of West Kearney were advised by wire from the adjutant general in Washington today that their son, Pfc. Stewart C. Poulson, 20, was killed in action Feb. 24 in Holland. He was serving with the armored infantry.

Private Poulson was born at Overton and came with his parents to Kearney seven years ago. He was graduated from Kearney high school in 1942 and attended the college one year before going into the army nearly two years ago. He was active in 4-H club work and won a gold watch for yard beautification work.

He left New York last Nov. 6 for overseas duty, going first to England. The Poulsons have one other son, Roger, a high school senior.

Memorial services will be conducted by the Rev. D. Allen Martin and Maj. Will Sessions at the Christian church at 2 p.m. Sunday.
