Submission Type: Abstract

Intended Track: Entrepreneurship

The Role of Incubation Centers in Promoting Women Entrepreneurship in Kano State of Nigeria

The rise in unemployment rates among graduates and deplorable economic conditions in the state of Kano, Nigeria women started embracing entrepreneurship as an alternative to jobs. The rise in the number of business incubation centers have a significant role in women empowerment and economic growth. The present study sought to address the following research questions: What role does business incubation centers play in promoting women entrepreneurship in Kano State? What are the obstacles women face in their entrepreneurial endeavours? To what extent are incubation centers effective to accelerate business start-ups and continuity among women in Kano State?
