DISTRICT #119-OTOE CREEK

Early history starts with Estiva School, District #33 which was located on the Warren Feurstein farm. The Estiva school and post-office was named after a pioneer family by the name of Esty.

The Leshara children came to District #33 in the early days and later built their own school. Then District #33 was moved and part of Platteview (District #11) also joined.

On January 12, 1960 a petition was organized to merge District #33 and District #46. District #46 was known as Otoe Creek School because of its location on the south bank of Otoe Creek On Highway 77. The petition was voted on and passed that as of April 29, 1960 Districts #33 and #46 shall be known as Otoe Creek School District No. 119.

Today it is a modern two-teacher school to superior elementary education.
