BEN RUMPELTIS IS

FOOTBALL CAPTAIN

Will Lead the Antelopes to Victory This Season.

Everyone! Take off your hats to the newly elected captain to be seen this season Mr. Rumpeltis. Mr. Rumpeltis is a product of the Kearney high school, having played

football for the last four years and he

is quite a star.

With such a man as Ben at the head of the herd and with such a coach as W. B. Ross everything indi­

cates that the Antelopes will be unbeatable.

The schedule of games has not been completed, hence we are in the dark as to what the team will do, but the

team is in excellent shape.

THE ANTELOPE
Published weekly thru the school year by the students of Kearney State Normal School.

Entered as second class matter, December, 1909, at the postoffice at Kearney, Nebraska, under the act of 24, 1890.

Phyllis M. Johnson..........Editor
Otis L. Buecker..............Business Mgr.

Owing to the fact that the addresses of the boys in the school are changing so rapidly, the Business Manager has decided to send the school paper of their Alma Mater to their parents and relatives, who can keep in closer touch with the boys and who can forward the Antelope to Uncles, Aunts and friends.

We believe this plan will result in a higher degree of success in getting the paper to the boys in the camps than could be realized from the business.

Influenza, which appeared in the fall, can not be quite as convenient for the students, yet we feel that the slight inconvenience which results will be hardly noticeable when we think of the work they are taking off the shoulders of the postoffice employees. Furthermore, the plan of sending a copy each week under the present plan, while under the former plan a copy might be missed occasional­ly.

Co-operation is essential for success in any plan.

Marske Harwood, Fremont, Wash., Sept. 19, 1918.—Dear Miss Crawford: You may remember that you have written me a month ago. When I met some of the boys fellows there and asked the boys what if anything was going on, it made me feel kind of disappointed in my interest work.

I was very, very sorry indeed to miss my family of course they said you hadn't regis­tered there. I hope you had a very pleasant trip. Dear Miss Crawford!
