Boys and Girls To Get Behind United War Work Campaign

"Earn and Give" is Slogan of Victory Organization.

If you should chance to see dozens of energetic small boys busily cleaning up door yards, or chopping a work enough to be kindled, or dozens of little girls engaged in tasks equally strenuous in the last few weeks, it will merely mean that the "Victory Boys" and the "Victory Girls" are getting into shape.

The school children of this county, from the youngest kindergartens to the high school senior, know that five dollars will bring comfort and cheer to one American Fighter for Free Weeks, and every one of them is trying to get behind a fighter for that length of time at least.

Of course, giving money when the host given to you, isn't much of a sacrifice this money that you own and give to others, gives you a sense of worth that money which has merely been lent to the "Victory Boys." They are getting into line and are going to try to get behind a fighter for that length of time at least.

The United War Work Campaign is backed by seven organizations whose purpose it is to carry war work activities, support all soldiers, sailors, and war workers, and act socially for our soldiers and sailors and their dependents.

These seven organizations are:

"This campaign," says John H. Moell, of New York, Director of the campaign, "is based on the strength of the "Dollar Drive" and will direct a national-wide campaign, to the districts in which the nation is divided.

The Department of Health of the Department of Commerce and Industry--and that is seven bodies--is in charge of the campaign.

The money from these drives is used for war purposes. To the benefit of our boys - Otherwise there will be no room for them in the world.

Mr. J. R. Smith, Director of Health, has been appointed to this charge of the Department of Commerce and Industry.

The money from these drives is used for the benefit of our boys.

Officer's Training Camp: The Commissary Department has taken in its care the Red Cross room on the second floor.

Mr. WM. B. Haas, General Manager of the Department of Commerce and Industry, has been appointed to this charge of the Department of Commerce and Industry.

By Jessie Pickel.

At convention hour Wednesday the Astronomy board presented their plans to the assembled students, Mr. Jillette, as head of the board, began by saying Miss O'Connell spoke on the timeliness of the meeting and the stu-
dents could not afford to eliminate anything from their interests. Miss Reynolds then spoke on the topic, "Our School and the Scopes Trial," and said "We have the best lookers in the world, and the answer of the town will make good." He showed the part that the students play in war by saying, "A man can't be yellow and foot soldier.

Mr. McNaney, last year's football captain, said, "We will have a good season." It was announced by a former K. S. N. S. instructor, Miss Hill, that the school girls are to root, to cheer and to encourage the team by quoting from a former K. S. N. S. instructor, "A girl's Point of View." Girls can't get along without girls. The part of the girls is to root, to cheer and to encourage the team. "When our warrior goes from battle to battle, we'll follow along without girls."

Wesleyan game will be here from Saturday and another game will be there in Kearney on Tuesday afternoon, November 20. Miss Dolez has been a member of the Kearney Public Schools teaching force. Miss Leonia Buxton, a farmer's girl, has won the Civil Service appointment and will leave for Washington, D. C., soon. Miss Dolez has been a member of the Kearney Public Schools teaching force.

Miss Sheehan, a former high school student, will arrive in Lincoln late this week on account of the success of the band under Lieutenant Hillman, who is teaching this subject on his own.
