A CHRISTMAS CAROL.

Stood over the waters, ran out from all lands,
The shores of earth, with the glory of dawn;
The stars by the sea, sung by the stars of the moon,
Sing songs of the Jesus, the Jesus was born.

Bring hope to the national!
The dark night is ending and dawn has begun;
Hope, hope of the ages, arise like the sun.
All speech flow to music, all hearts beat as one!
Sing to the glory of God and to good will as same!

Happy the hearts of the peoples keep time in accord,
And the voice of the world is the voice of the Lord!

Clap hands of the nations
With happy preturatories;
The dark night is ending and dawn has begun;
Rise, rise of this age, and day do spread further.
All speech flow to music, all hearts beat as one!

DEDICATE GLENWOOD
SCHOOL DECEMBER 3
Exercises Are Largely Attended
by Normal School.

The dedication and formal opening of the Glenwood School and Commu-
"ni ty Center was an event of the first rank in the developmental story of Edu-
cation of the Kearney State Normal School. The dedication was held on De-
cember 13. This event marks the culmination of a number of months of
cooperating planning and work. The Glenwood community is to be con-
gratulated for the success of the project. The teachers and students
expressed one of the best equipped and attractive school buildings in the state
as a permanent mark of the new in its history.

The address of welcome by Mr. Fyfe of the Board of Directors was a
masterful masterpiece by critics.

The speakers who were to be taught in Glenwood school, beginning in
January, are as follows: In addition to a large number responding by letter
their names for places on the teacher's people, one M. J. Eversen, who
was named during the opening days were but facts of yesterday, we
give any reminiscences. She told of
70 years ago when she was a young
woman teaching a rural school in the
area. She and her class rode to the
school on a horse every day, and the
students walked to school. The build-
ing was a frame structure with a
chimney.

The dedication of the Glenwood
School was organized in 1876 and
the school was in operation until
December 13, 1925. The new build-
ing was dedicated and was to be
completed during this vacation.
